

I am very concerned about Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election. This is a clear example of the dangers of media bias and consolidation. It is a clear effort to sway the election, and I think it should be stopped.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But airing a controversial and highly partisan "documentary" days before the federal election is clearly not in the public interest--it is in the corporate and candidate's interest.

Please do everything in your power to block the Sinclair Broadcasting Group's efforts to rig our election.

Thank you.
